

# CHENIN BLANC 2021

## SPECIES

100% Chenin Blanc

## VINTAGE

2021 was an excellent season with great winter rains, followed by warm, sunny days and cool nights, resulting in healthy berries, with pure fruit flavours, and bright balanced acidity.

## HABITAT

Grapes are sourced from selected vineyards across the diverse micro-climates of the Western Cape for varied characters and components that deliver balance and complexity in the final blend. Harvested in late January by hand at a full ripeness averaging 23°B.

## GESTATION

Separate lots were fermented at 13°C in stainless steel tanks until dry, then left on the lees until final blending, filtration and bottling at our cellars in Wellington.

## CHARACTER

Glistening gold with a generous fruit salad of flavours and aromas including tropical mango, pineapple, passion fruit, guava, honey melon and papaya tinged with a discreet spice.

Gregarious, yet still graceful with a mouth-watering fruity finish.

## FOR YOUR DRINKING PLEASURE

Best enjoyed within the first year or two of vintage when the fruit is most fresh and vibrant. Serve chilled for effortless social enjoyment or with fish and chips, roast chicken or macaroni & cheese.
